Sir:

In response to the Office Action (O.A.) mailed 2003 Mar 19, Ethe
Applicant pro se respectfully requests that the above-identified
Application have amendments entered as follows:

CLAIMS: Cancel claims 7-9.

REMARKS

In prior Amendments and Responses, the Applicant pro se drafted claims carefully, deliberately, narrowly, and distinctly so as to overcome rejections and objections, and define the invention patentably over prior art. The Applicant pro se respectfully resubmits and reiterates that the present Back-up Mirror System has merit, and is distinguished over prior art.

The Applicant's prior responses had argued, with specific thoroughness, to support this view: without being physically altered,
